Supporting Good Jobs, and Protecting Lake Erie and *Our* Great Lakes Environment

Passed the Bipartisan Jobs and Infrastructure bill to invest \$1 billion in the Great Lakes Restoration Initiative, and \$1.4 billion to improve Ohio's water infrastructure, remove lead pipes, and ensure safe and clean drinking water.

Protecting and strengthening our local economy by delivering solutions to combat harmful algal blooms and block entry of Asian Carp into Lake Erie.

Fighting climate change and leading the charge to create good-paying renewable energy jobs in solar, wind, and hydrogen right here at home.
